LU ELISSA

Lu Elissa loves to dress up just as much as the next girl, but she always takes it to the next level! This month she's gone all biker-chick on us and to spice it up a little she's gone and finished off the outfit with a rather naughty stocking and suspender set! "I love fucking with stockings and a suspender belt on, and keeping on my heels is a must for me too. I bet your male readers are drooling at the thought of me straddled over them, slowly lowering my pussy over their cock, easing it in inch-by-inch. I'm getting wet just thinking about it."

PRUDE TO RUDE!

I'd often wanted to try more adventurous things in bed, but my wife Susan would act the prude and say, "That's disgusting!" or "If you try that you're dead!"

That was until I came home early from work one day to find the back door of our bungalow open. I walked down the hall and the sight that greeted me was beyond belief. There in the hallway mirror opposite our bedroom I could see Susan on the bed on all fours, stark naked!

I stood there watching my normally prudish wife rubbing herself and expertly massaging her clit. Little moans were leaving her lips and her breathing was getting heavier.

She then inserted two fingers into her meaty pussy and started to finger herself.

To my amazement she brought her other hand over and started to rub her arsehole. The sight of that made me take my already hard cock into my hand and wank furiously.

Susan's hand then disappeared from her arse, so I tiptoed to see where it had gone and to my surprise she was sucking her finger. She then returned it to her arse and slid her finger right in.

I was shocked, as every time I went for the arse I got a slap. To find out she actually enjoyed it but wouldn't share it really frustrated me. Susan was now pumping her fingers into both holes and really enjoying it.

Suddenly I felt a tap on my shoulder, and I nearly dropped dead as Susan's best friend from the gym was standing there.

There I was, cock in hand and about to reach the vinegar strokes. Well, you can imagine I was a little red-faced.

I secretly watched my wife fingering her meaty pussy

Karen is a 34-year-old beauty – all taut and sexy with a body to die for. She was wearing lycra shorts, and blatantly no knickers. You could see the outline of her plump pussy. Her nipples were erect and poking out of her tight top.

We stood there admiring each other, neither of us said anything because we knew what each other were thinking. I pulled my skirt right up out of the way and Stewart knelt between my thighs.

He guided his knob until it touched my swollen mound and thrust forward. Well lubricated with pussy juice, his cock went in with no resistance. He pushed his whole length up my cunt until his balls touched my arse.

I moaned with the pleasure of being stretched and filled with such a thick hard cock. As the feeling subsided new ripples of pleasure filled my cunt as he started to piston his cock in and out.

He fucked me fast and hard, pumping like there was no tomorrow. I stopped him and turned around on all fours to offer my naked rear.

Stewart knelt behind me and in one thrust entered my waiting cunt. I moaned again as he started his fast steady strokes, pushing his cock all the way up me until he could push no further.

As my orgasm took me over I thrust myself back, impaling myself on his thick prick. This was too much for Stewart and he too started to cum.

His cock swelled and jerked and then fired several times. He entered the entire contents of his swollen balls into me. It felt fantastic as he filled me full of his hot sticky spunk.

Eventually I left the cemetery, knickerless, well fucked and with sticky man-fat running down my thighs.

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

WHAT'S THE DIRTIEST THING YOU'VE EVER DONE?

That was definitely on holiday last summer. I went with my best mate Clara. She is a right laugh, a real piss artist and slapper – just like me. We hired out a caravan down in Newquay for a week. Clara had been there before and told me it was full of fit sun-tanned blokes running round in wetsuits and swimming trunks. That was good enough for me!

Our caravan was within stumbling distance of the town centre so as soon as we arrived we got tarted up and headed straight for the pubs. We got cocks up us on that very first night. It was a lovely balmy evening so me and Carla wore as little possible – not that we need an excuse to do that. We both wore short skirts and high heels. Carla had on a short tight top that exposed her tanned midriff and I went for a see-through blouse over a black bra with my tits bulging out over the top. Our skimpy G-strings kept peeping out from beneath our ridiculously tiny skirts.

It didn't take long for us to get a reaction from the blokes. At the first pub we went to there was a group of bare-chested surfy types sitting at a table outside. As soon as they clamped eyes on us they broke out into a round of applause and one of them shouted to me to get my tits out.

Feeling sexy and frisky, I poked my tongue out, lifted my shirt up and popped my tits out of my bra. They started cheering and one of the blokes stood up and flopped his cock out of his swimming shorts. Carla pointed at him and made a cock-sucking motion with her mouth and we went into the pub laughing. I knew then that we were going to have a wild time.

After several pubs, large volumes of vodka plenty of flashing and flirting (including Carla getting her tits sucked by a load of blokes on a stag do), we ended up in a club. By the end of the night we had both found ourselves a definite shag.

My bloke was called Dave and he had a big cock. I knew this because it had been in various stages of stiffness all night as I rubbed my body up against it. I ran my hand down between his legs and stroked his length, asking him if him and his mate Steve wanted to come back with me and Carla for more booze. He agreed with a wicked grin.

He went to tell Steve and I told Carla. She was well up for it, and between us we decided to make it a night to remember. When we got back to our caravan we pulled out the big double bed in the living room. We ordered Dave and Steve to strip off and make themselves comfortable on the bed. They stripped off, their hardening cocks lolling between their legs.

Then Carla and I started to kiss in front of them. It was a full on passionate snog, and the blokes could hardly believe their eyes. Then Carla began to unbutton my blouse as I ran my hands up and down her firm brown thighs. Discarding my shirt, I pulled Carla's top up over her head to expose her full round breasts and dark brown nipples. I closed my mouth over one and then the other, nibbling them till they stood out like bullets.

My bra came off next, closely followed by both of our skirts. Then Carla bent double in front of me. I slowly peeled off her G-string, tantalisingly revealing her glistening, shaven pussy and firm arse. Both the lads had their hands round big erections by now.

I snaked my tongue out and licked all the way up the length of Carla's wet slit. Then I licked her arse and she called me a dirty bitch. With that, she sat me on the edge of the bed and pulled my legs up over her shoulders. Inviting the lads to come and have a close look, she pulled my thong off slowly and my wet, pink pussy came into view.

Dave was leaning over me to get a look, and I arched my neck so I could suck his dick. Cupping his nuts, I encouraged him

to thrust his fat cock in and out of my mouth.

He shoved it in almost up to his balls and I deep-throated him. He positioned his knees either side of my head so he could dunk his cock right down my throat. I tilted my head back so I had the right angle and he could wantonly fuck my mouth with his full length.

As this was happening, my legs were parted. I felt Carla kissing all over my shaven mound. Then I felt her learned tongue delving between my lips and burrowing inside my cunt. She took my lips in her mouth and chewed them and then played with my clit with the hard end of her tongue. She really knows how to lick a girl out, and she had me cumming after just a couple of minutes.

Dave took his cock out of my mouth and I looked up to see that Steve was now behind Carla who was on all fours on the floor at the end of the bed. As Carla plated me, Steve was fucking her hard from behind and it looked like he was fingering her arse too.

I lay back on the bed and told Dave I wanted fucking. He came round from behind me and positioned himself between my legs, which he held in the air, his straining cock ready to plunge inside my creamy cunt.

Suddenly Steve was carrying Carla over to the bed and flopping her down next to me. He took up an identical pose to his mate, holding Carla's legs high above her and preparing to fuck her.

They looked at each other, nodded, and simultaneously thrust their cocks into our juicy pussies. I was so wet with my cum that Dave went in up to his nuts on the first thrust. I looked across at Carla taking a pummelling from Steve. Her large tits were wobbling and her face was contorted with a fast approaching orgasm.

The caravan was rocking like mad as Carla and I lay side by side getting fucked senseless. Carla screamed as she came, and that triggered off my second messy orgasm.

Steve and Dave kept letting each other know how close they were to cumming. They timed it so that when they were both ready, they pulled out and pointed their cocks at our faces. Dave wanked his shaft until the first hot bolt of cum shot into my mouth. I tried to catch as much as I could of the next few creamy shots which splashed all over my face.

Then Dave leaned across and flicked his last drops across Carla's cum-smeared face. When they had both drained their cocks all over our faces, Carla and I had a sexy cummy kiss to show our appreciation for their sterling shagging efforts. Ladies – I would recommend Newquay for a fucking great holiday!

WHERE'S THE STRANGEST PLACE YOU'VE HAD SEX?

I used to live in a flat just out of the town centre with my boyfriend of the time, Paul. The route back from town went past a golf course. Sometimes, when we were walking back pissed, we would take a short cut through the golf club, though if you ever got caught you got a right bollocking.

After one particularly boozy night, Paul and me were stumbling home sometime after midnight. We were randy as a couple of rabbits, and we couldn't wait to get home to have a fuck. As we cut through the golf course, Paul suddenly rugby tackled me somewhere on the third fairway, just after the dog leg a couple of hundred yards from the pin to be precise.

He climbed on top of me and started kissing me. His lips moved down my body until his head was between my legs. I arched my back so he could hitch my skirt up. I wasn't wearing any knickers, so he was able to raise my legs and bury his face in my sticky pussy. He had been rubbing me up in secret all night, so I was nice and creamy and desperate to cum.

He lapped at my cunt and nibbled my clit. When he jammed three fingers up my squelching hole and pushed them in and out, I came to a juicy climax. My cunt juice spilled out over his fingers, which he licked clean.

Just as Paul was undoing his trousers and preparing to stick his cock up me, two beams of light swept across the fairway.

We jumped up, knowing what it was. The club have this old cunt of a bloke who goes round tending the greens and stuff.

He works at all hours with his sprinkler and his buggy, and he'd often chased us off the course late at night and even caught us twice.

We hadn't been seen, so we legged it and jumped into a bunker. I landed face down with Paul on top of me. I could feel his boner pressing through his trousers against my buttocks. I ground my arse up against him, desperate for his cock. He roughly dragged me up onto all fours and pulled his trousers round his knees.

He slid a finger up my cunt and guided his cock to my entrance. With a nudge of his hips he slipped his cock inside me and his finger out. At last I had a cock up me – I'd been waiting all night! He rammed his dick up me to the hilt fast and furious.

My cunt was juicing up like mad and dripping down my thighs. Paul started to finger my arse and I knew he was getting it ready for his cock. He loved fucking my arse almost as much as I loved having it fucked. He rubbed my juices into my tight hole and squeezed two fingers inside.

Just as he forced the end of his cock into my arse, the noise of the golf buggy got louder. The green keeper was driving our way and I was getting fucked up the arse in the bunker! I didn't give a fuck, I just wanted to cum some more. I backed onto Paul's cock until my arse was totally full. Then I started to frig myself off as he took a firm grip of my hips and started riding my arse.

The noise of the engine got louder until it sounded like it was really close. To his credit, Paul didn't miss a stroke, fucking my butt even as the buggy drove straight past the bunker we were in towards the green not too far away.

When I came again, Paul had to put his hand over my mouth to stop me letting...

A QUIET NIGHT IN!

I thought I'd write and tell you about a quiet night that turned into a horny night. My name is Nikki. I'm 32 years old and work as a shop assistant.

On the night in question I was out with my friend Jackie, an attractive 41-year-old married solicitor. We were at the pub eyeing up and talking about the fit blokes, when the conversation turned to fit girls.

Jackie then asked me if I could keep a secret and of course I said I could. She told me she'd slept with the barmaid. I admit I was a little surprised at this revelation.

Things went a bit quiet for a moment and she asked if it was a problem that she was bisexual. I told her I had no problem, as I myself had had one or two experiences with women.

So then the conversation really progressed, and out came another secret.

Jackie told me she and her husband Bob had discussed having a threesome with me, but weren't sure of my preferences. I was starting to feel wet and my clit was twitching. Jackie leaned over and put one hand on my knee. "Bob's at home. Fancy it?" she asked.

I thought for a moment of what it would be like fucking Bob and Jackie. I agreed, because Bob is quite hot too. Jackie phoned home to check it out, then gave me the nod.

We arrived at her home and Bob was sitting in the lounge with a cheeky grin on his face. Jackie brought some drinks in and sat next to me.

Then she began to kiss me, running her hands over my tits. Bob was sitting in his chair stroking his cock, watching his wife Jackie then smiled at Bob and asked if he'd like me to suck his cock. I knelt down in front of him and took his swollen head into my mouth.

Jackie got behind me, lifted my skirt, pulled down my knickers and started to finger-fuck me. Bob then suggested we move to the bedroom, which we did. I sat on the edge of the bed and watched Jackie strip. When we were all naked, Jackie pushed me back on the bed and started to lick my pussy. Her tongue felt hot and made my body tingle.

Bob lay at my side stroking my tits, licking and sucking my nipples. We then decided to give Bob some treatment. We laid him on his back and Jackie sat on his face. I sat on his hard throbbing cock.

It wasn't that long but was really thick, and the way it felt inside my wet pussy was something I'll never forget. Jackie and I then switched places. Bob's hands were all over my arse and tits, touching every part of my body.

He was licking my clit hard and fast, and within a few minutes I came like thunder.

The inside of my pussy was pounding, and I just had to have his cock in it.

He got in behind me while Jackie lay in front of me with her legs wide open and her dripping pussy crying out for my tongue. Bob gave out a great moan as he entered me, but he was not moaning as loudly as I was.

I was so excited and turned on, and I ate Jackie's pussy till she came again and again. Bob's moans were getting faster and louder. Then he practically froze as he came, with total ecstasy on his face and a tear in his eye.

We all flopped down on the bed next to each other and started giggling and laughing.

Jackie and I have had sex on our own and with Bob over the past few months and it is still as horny as ever. So am I!

Nikki, Arbroath

But here's a girl we'd like to unload our bags all over – the marvellous Michelle, a dolly who should really have a shopping trolley to cart round her FF-cups. "I hate traipsing round the shops," purrs the Sheffield stealer of men's semen. "Unless it's to load up on porn mags, dildos and booze! My local newsagent should do a loyalty card!"

There are two things that girls like to do when there are no blokes in the room. Talk about how rubbish men are and, leading on naturally from the preceding topic, start lezzing off with a can of spray cream. There are no exceptions to this rule, readers, so pay careful attention when leaving your girlfriend and her mates to watch The Valleys while you go on the piss – either hide your cans of Anchor Extra Thick or hide yourself in the wardrobe for the show of your life. We did the latter...

NEXT DOOR BUDDY

There were three of us in the car. I was driving, and Jane and Bill were in the back. Jane is my next door neighbour and Bill is her other neighbour.

As Jane's husband was working away from home, Bill and I had asked her to come out for lunch and a drink with us.

She was looking sexy as hell in a short, split skirt and a see-through tight top that left little to the imagination.

When we were in the pub she was the centre of attention and knew it. Everyone could see her tits and nobody was left in doubt as to the colour of her panties.

When we left the pub she got into the car alongside Bill. After a few miles I glanced in the rear view mirror and saw them in a clinch. A few more miles down the road, Jane's top was up and her tits were out. Another few miles and her legs were splayed and Bill's hand was inside her panties.

THE THREE OF US ENDED UP IN A TANGLE ON THE BACK SEAT

I headed out of town for the country till I found somewhere to pull off the road and into a field. By the time I stopped, Jane was on her hands and knees on the back seat with Bill's dick deep in her mouth.

I jumped out of the car and opened the back door to reveal her lovely tight arse sticking up in the air in front of me.

tl slipped her panties down without any protest from her and slipped a couple of fingers into her wet pussy.

She shoved her arse against me and mumbled incoherently as her head bobbed up and down on Bill's swollen cock. With my free hand I dropped my trousers and started to wank my cock, which I then rubbed against her arse. Again she did not protest, so I removed my fingers from her cunt and slipped my purple-headed tool into her.

She moaned again as she rocked her arse in rhythm with my thrusts. I heard Bill gasp as he started to cum. She took some in her mouth, then pulled her head away and wanked the rest over her face and tits.

This did it for me and I exploded up her cunt as she screamed loudly and orgasmed at the same time as me. The three of us ended up in a tangle on the back seat of the car.

We spent the rest of the afternoon fucking about in the field (where we took some of these photos), with Bill and I taking turns at shagging or licking out Jane. What an absolutely fantastic girl!

When we showed her the photographs she even suggested I send them to you with the story of our Sunday lunch. It turns out she has even been in your magazine before!

James, Chesterfield

Whenever we 'bump' into Sophia she's always going on about her latest sexual conquest, and that's exactly what happened when we caught up with her on her latest shoot with us. "This guy I hooked up with at the weekend had the perfect cock for anal sex! It wasn't too big, it wasn't too small, it was as if it was designed with my bum hole in mind!" Nice!

How much fun can two girls and one strap-on dildo have? We invited Axa and Jay along for a photo shoot to answer this age-old question and the girls didn't disappoint! "I've never been fucked by a girl before so you can only imagine how excited I was to be asked!" Alex told us. "And there really was no need to offer the lube to us, my pussy was wet and ready for a hard rubber cock before I even walked into the building," Alex continued. We're just going to let the pictures do all of the talking!

One armpit we're not averse to being squashed up against in a Bakerloo Line carriage belongs to swinging Londoner Brooke. "Ooh, mind my gap," grins the strap-hanging slapper from Camberwell, South London with perfectly scented pits. "I love to surprise strait-laced businessmen in the morning who get all flustered when they realise there's just a flimsy summer dress separating his body from mine. Sometimes I even sit on them 'by accident'!"

I bet your readers would like to give that a try."

...the whole neighbourhood know what we were up to. My arse tightened round Paul's cock as I came, triggering his orgasm. He pulled out and fired wads of sticky cum over my back, my arse cheeks and my cunt.

Then Paul wiped all the spunk off with his boxer shorts and we lay low in the bunker until matey had fucked off. Then, on the way home, Paul shoved his spunk drenched boxers down the hole as a present for the first bloke to tee off the next morning!

Jenni, Cambridge

WHAT'S THE BEST SEX YOU'VE HAD RECENTLY?

I got a proper fucking at a party a couple of weeks ago. My best friend Sarah had just moved into a new place so she had a housewarming bash. We set up a barbecue in the back garden and as you can imagine it wasn't long before we were breaking out the booze big style.

Later on in the night I got chatting to this bloke Nick. He was the brother of one of Sarah's housemates and he was fit as fuck. We obviously fancied each other so we wasted no time pissing about.

We slipped outside into the night and I grabbed hold of his cock and started wanking him through his jeans. I unzipped his flies and managed to wrench his stiff cock free. I tossed it off as it jutted through his trousers. He was rubbing my moistening cunt and he'd managed to free one of my tits, which he sucked lustily. I hadn't been wanking him long when he told me he was ready to cum.

Not wanting to miss out on a mouthful of delicious spunk, I got on my knees and took his helmet in my mouth. I pumped my hand over his shaft until his cock strained and delivered three powerful jets of hot sperm right down my throat. I swallowed eagerly and coaxed the remaining cum from his balls.

Just as I was lapping up the last of Nick's sticky jizz, another randy couple spilled out of the backdoor and into the garden. As Nick zipped up his trousers I decided we should find somewhere to fuck in peace.

We went to the upstairs bathroom and locked it from the inside. Then we put a cabinet and the bin up against the door. Safely barricaded in, we were free to get down to some serious fucking. Nick undressed me until I was standing in just my skimpy thong. My nipples were poking out like coat hooks and I had goose bumps all over my body in anticipation of what this guy was going to do to me.

He turned me round and bent me over double. Then he kneeled down behind me and slowly peeled off my thong. It clung to my cunt because it was so wet, and

I shuddered when Nick snapped it free with a satisfying yank. Stepping out of my underwear, I thrust my hips back and presented Nick with my glistening pink cunt and round arse.

He whistled in approval as he surveyed my juicy cunt. After pausing to admire it, he placed his hands on my arse cheeks and pulled them apart, leaving my cunt and arsehole entirely at his mercy. He pushed his tongue right inside my cunthole, exploring my tasty snatch.

His nose was right up against my arse as he forced his tongue inside me as far as it would go. Then he concentrated on my puffy lips, licking and nibbling them one by one. He traced his tongue up and down the length of my slit. I arched my back and stuck my arse right out, straining to allow him access to my clit. He found my sensitive nub and began circling and flicking it with his tongue. I could feel an orgasm brewing within me as he worked on my cunt.

Just as I was getting really excited, he suddenly buried his tongue in my tight arsehole. I squirmed with surprise and pleasure as his warm tongue wriggled up against my tightest hole.

Then he whacked his thumb up my arse and returned his tongue to my pulsating clit. This sudden move triggered a surge of pleasure and sent me racing towards an orgasm. He flicked my hardening clit and my cunt and arse spasmed as I came to an intense climax. "Fuck! I'm cumming you horny cunt!" I shouted as my body trembled and cum juice spilled out over his tongue.

SESSIONS

As soon as my orgasm subsided, I turned round and took Nick's cock in my mouth. I slurped his member up and down until it was rock hard and raring to go. Nick pulled me up and got me up against the wall. I wrapped my thighs around his waist and he took a hold of me round the arse.

Pinning me against the bathroom wall, he drove his big hard cock deep inside me. I was so wet that he was up to his balls in cunt after one stroke. He started hammering his cock in and out of me, pulling almost right out of my cunt and slamming back in. I pressed my thighs tightly around him, squeezing my cunt muscles round his cock.

After doing me hard against the wall, he then turned me round. I braced my arms against the wall and stuck my arse out. He guided his cock back inside my cunt and continued fucking me hard and fast. We were both getting a sweat on – it was a fast and frantic fuck. I wanted to start flicking my bean while he fucked me, but he was doing me so hard he would have put my head through the wall if I had moved one of my arms.

I told him to frig my clit, so he got closer to me. Withdrawing his juicy cock, he lined it up against my arse. Giving his hips a nudge, he slid his dick right up my arse. As he began inching in and out of me, he reached round with one hand and started frigging me off.

With his hefty cock filling my tight arse and his fingers delighting my clit, he soon had me on the cusp of another orgasm. I told him I was going to cum and he fucked my arse faster and applied more pressure to my clit with his fingers. My second orgasm seemed to go on for ages and quickly gave way to a third. I was a quivering wreck by the time Nick pulled his cock out of my arse.

I turned round and kneeled obediently in front of him while he finished himself off over my face. With a grunt of satisfaction, he streaked my face and tits with hot white cum. I licked my lips and tasted his salty seed, rubbing his cum into my tits as I did.

Finally, he asked me to frig myself off for him. I had a hair-trigger clit by then, so it took me just a short while to bring myself to another orgasm in front of him while he stroked his spent cock. After that we got in the shower together before re-joining the party.

That was a very memorable shag. If you are reading this, Nick, I wouldn't mind a repeat performance if you are interested!

Suzy, Doncaster

DO YOU HAVE A LOT OF DILDOS?

Yes, I've got a small army of dildos. Obviously I use them on myself when I'm wanking, but they also come in handy with other women.

The last time they were called upon to pleasure another girl wasn't too long ago. I met an older woman at a club who clearly had the hots for me. Her name was Jane, she was about 30 with a really fi t body and gorgeous round tits. I really fancied her too, and as I hadn't had a cunt for a while I let her seduce me.

We ended up going back to my place. After a glass of wine I suggested I take her upstairs and show her my dildo collection.

Her eyes lit up when she saw my cuntwatering arsenal of love toys. She told me to take my clothes off and lie on the bed.

Then she grabbed hold of a massive double dong.

My cunt was wet as anything, but she gave it a good rub anyway to get it even moister. Then she carefully inserted one end of the dildo into my pink hole and began feeding it in. As my cunt swallowed more and more of the massive sex toy, Jane started to rub my clit. She obviously knew her way around a cunt – she knew exactly where to touch to set me off. Dildo fucking me with one hand and frigging my clit with the other, Jane soon had me cumming uncontrollably.

When I had finished, she straddled me. Bending forward to kiss my nipples, she inserted the other end of the double-dong inside her own cunt. She kept feeding it in until we had at least seven inches each deep inside us, leaving only a couple of inches or so on the outside.

As Jane began to slowly ride me, increasing amounts of the dildo became visible as she rose, before disappearing almost entirely each time she sank back down upon me. She was clearly an expert, and I just lay back and enjoyed her fucking and riding me.

When Jane was close to an orgasm, she slid off me with the dildo still inside both of us. Now sitting open-legged closely opposite each other, I moved my fingers down to Jane's clit and frigged her off. She threw her head back in ecstasy as the dildo and my fingers brought her to a climax.

After that we had a juicy 69 and really enjoyed tasting each other's cum. Jane then went back to my dildos. With a wicked glint in her eye, she turned to me with an eight-inch vibrator and a long solid string of anal beads. She told me to get on all fours on the bed, and I did as I was told.

I felt her tongue probing my soaking cunt. Then a couple of fingers went inside me before they were replaced with the vibrator, buzzing at full speed. Jane worked the vibrator in and out of my cunt and over my lips and clit. While she did so, she tongued out my arse.

Then, still reaming me out with the vibrator, she gently inserted the anal beads into my arse. Bead by bead, she pushed the toy deeper into my arse. When the toy was over half way in, she left it there and redoubled her efforts on my cunt and clit with the vibrator.

Just as I was getting close to cumming for a second time, Jane started to pull the string of anal beads out. As each bead popped out, the orgasmic pressure built up in my cunt. Finally, as the last and largest bead was withdrawn form my anus, I was consumed with a hugely intense orgasm. It ripped through my body, making me shudder all over and scream out loud.

Jane was so skilful with my dildos she had me cumming again and again all night. I returned the favour to her, though I still have a lot to learn to get up to her level.

But Jane has promised to teach me everything she knows, and I will definitely be a willing student!

GETTING WOOD!

The first time I took my bloke out into the woods for a shag he was a bit worried someone might see us in the broad daylight. He had to go for a slash so I waited for him, looking over the gate admiring the view.

The next thing I knew, he was up behind me driving his cock between the cheeks of my arse. I bent over the gate and he really gave me a seeing to.

We stopped for a minute and found a nice bit of grass to lie on. He stroked my body and ran his fingers between my legs, opening them. He sucked hard on my tits as his fingers found my cunt.

A surge of excitement flooded through me as he slid his fingers inside my wet pussy. He lowered his head down on me and his tongue reached out with short quick licks over my clit, sending waves of passion through my body.

He tongued me out, thrusting his tongue deep into my throbbing pussy. By then I was desperate for a good fucking. I grabbed his cock, sucking it briefly before he thrust it deep inside me.

I cried out as his shaft slid in and out of me. My body trembled as I climaxed, but I still wanted more.

He pulled me down, lifting my legs onto his shoulders and spreading my holes wide. He pumped his cock in and out of me and I could feel his balls slapping against my arse.

By then I felt I wanted to take control, so he lay down and I sat on him. I bobbed slowly up and down on the end of his cock, feeling the skin roll back as I came down on him.

He was loving it, and I had to stop for a minute or he would have cum. He wanted more, just like me. I started again gently on his pole, taking long slow strokes right down his length.

Then I got faster, teasing his cock with short rapid strokes. We stopped again, and this time he rolled me onto my stomach.

He whispered into my ear that he wanted to fuck my arse.

He was lying full length over my body and his skin felt lovely against mine. Then he inched his cock into my arse, pulsing waves of pure pleasure right up my spine

He inched his cock into my arse, pulsing pleasure up my spine

and through my whole body.

He couldn't last very long that way and shot his load. It felt so horny as reams of hot thick spunk erupted deep in my arse.

When he eased his cock out, I felt the warm cum oozing slowly out of my arse.

Recently we've been talking about him bringing a mate along to the woods. I reckon if something is that good, it ought to be shared. Anyway, I've always wanted to wank two cocks at the same time.

The trouble is, I wanted someone else to fuck me at the same time too - well, maybe another time.

FILM PHWOO

THE XXX MOVIES THAT SHOOT OUT INTO YOUR FRONT ROOM

Fuck-tastic

4/5

CURSED - WICKED PICTURES

Starring: Alexa grace, Britney Amber, Whitney White, Ryan Mclane and Tyler Nixon

Many, many years ago there was a film called Watermelon Man in which a racist fellow wakes up one morning to find he's turned into a black man. Well, taking the same Metamorphosis theme here, we follow the fortunes of stud Ryan McClane, a serial shagger who beds and bins the ladies in his life, who suddenly finds he's woken up as a hot woman – Whitney Wright, in fact – complete with painted toenails! So how will he cope now that the shoe's on the other foot? A nice lot, which kicks off with Ryan still in bad boy mode having a corking bunk-up with Britney Amber, whose furry slot gets a good workout before she gets an untimely brush-off that causes her to put a curse on him. And Brit's back in next scene, getting another length and culminating in another load dropped on her muff. It seems Ryan/Whitney has to make amends, and s/he sets about it straight away by getting it in with Alexa in a nice lesbo scene that sees them scissoring to some kind of conclusion. Alexa's back for a restroom shafting next before the story wraps up with Ryan fucking, er, herself! Well, it's a bit confusing, but the action's grand, even if our hero doesn't end up learning any lessons from his experience
